

BUFFALO BROTHERS

COWBOY STORE

Buffalo Brothers Cowboy Store manufactures custom buttons for sewing onto your cowboy outfit. We have many antique button styles to choose from that you can use as dress-it-up buttons for your cowboy action shooting outfit. Our buttons are made out of tin silver. Some of them are old styles that have been redesigned and many are original designs.

Manufacturers purchase our buttons by the thousands, and individuals buy them by the dozen. Our buttons are popular for use on western wear, bags, leather, cloth, and upholstery. They are also popular with clothing designers and interior decorators.

We can manufacture custom buttons for you if you have a large enough order. Have you ever considered a button with your logo on it? Contact us for details.
